

THE MARLOWE

2,300 Square Feet / 3 Bedrooms / 2.5 Baths / Screened Porch

SPACIOUS. *Light-filled.* SPECTACULAR.

The first impression is unforgettable—walk inside off the large front porch and gasp for air. The nine foot ceiling foyer opens into an enormous living area that includes a wide open kitchen, dining area and propane fireplace. The ceiling is vaulted, creating an almost overwhelming sense of spaciousness and light. Equally as compelling is the large screened porch that opens off the living area and in turn exits onto a courtyard patio. Bedrooms two and three plus a lavish master bedroom suite are at the rear of the home; at the front there's also a parlor for gracious entertaining or for use as a study. Climate controlled storage off the garage completes this absolute gem.
