

THE STAFFORD

2,150 Square Feet / 3 Bedrooms / 3 Baths / Screened Porch

HIGH CEILING LUXURY in a GRACIOUS DESIGN

With nine-foot ceilings throughout The Stafford lives large. The entry passes a front dining area and into a very large and light-filled living area serviced by a spacious kitchen. At the rear of the living area abutting the propane fireplace is a large screened porch that also offers access to the second bedroom. The master bath, bedroom and two walk-in master closets occupy the entire right wing of the home. Above the garage with climate controlled storage is a third bedroom or flex room with bath.

FLOOR PLAN

This floor plan illustrates a general plan which is subject to future change and revisions. Dimensions, boundaries and position locations are for illustrative purposes only and are not necessarily intended to be exact.
